GRETNA EDUCATION ASSOCIATION (GEA)

and

GRETNA BOARD OF EDUCATION

AGREEMENT

THIS AGREEMENT made and entered into this 12th day of July, 2010, by and between the Gretna Education Association and the Gretna Board of Education, Sarpy County, Gretna, Nebraska, effective 2010-2011 school year.

1. The Board of Education recognizes the Gretna Education Association as the sole and exclusive representative for all the certified teachers of the Gretna School District.

2. SALARY SCHEDULE

A. The salary schedule for the teachers of the district shall be in accordance with Exhibit "A" attached. Base \$32,300.00 with schedule as per Exhibit "A".

Beginning with the 1989/90 school year the BA+36 column is eliminated. Those teachers on the BA36 column for the 1988-89 school year will continue to be paid on that column until such time that horizontal movement is achieved.

Beginning with the 1999-2000 school year the MA +27 column is added into the salary schedule.

Beginning with the 2002-2003 school year, the salary schedule for teachers shall be a 4 x 4 salary schedule, as per Exhibit "A".

Beginning with the 2003-2004 school year, Step 16 shall be added to the MA+36 column.

B. Any hours that are to be applied to the salary index that are taken after September 1, 1989, must be graduate hours in education. Under graduate hours for additional endorsements or specialties may be counted if they are requested by the School District and approved in advance by the Superintendent or his/her designate. All of the above must receive the approval of the Superintendent of Schools or his/her designate. The teacher will submit in writing to the Superintendent or his/her designate a list of courses prior to taking the college course(s) proposed for application to the salary index to include course description, graduate or undergraduate, and other pertinent information. A reply in writing, either approving or denying approval will be submitted within ten (10) days to the teacher.

In the case of a dispute over the approval of hours, the final recommendation shall be made by a review board comprised of two administrators appointed by the Superintendent of Schools, the Association President and the Association Professional Rights and Responsibilities Chairman. The teacher may ask for a review and decision by the review board within ten days from receipt of the Superintendent's decision. Any extension of time limitations of this procedure may be extended upon the written mutual agreement of both parties.

C. For additional days to the 188 day contract for teaching responsibilities the teachers will receive 1/188 of their salary for each additional day taught as approved in the teacher's contract. This does not include work in development of curriculum materials.

D. Career Increment: Effective September 1, 1999, career increment will only be valid on the MA + 36 column. An individual who has been frozen on the MA+36 for 2 years is eligible for a \$500.00 increment commencing with the start of the third year.

E. Dual Enrollment Program: The Gretna Public Schools (GPS) has entered into an interlocal agreement with Metropolitan Community College (MCC) for a Dual Enrollment Program to provide students of the GPS college credit for MCC classes taught in a high school setting by certificated teachers employed by GPS if such classes meet MCC standards and policies and objectives. The dollar amount reimbursement to GPS for the services of the GPS teacher accepting an assignment to teach MCC classes is determined in the sole discretion of MCC. The Gretna Public Schools and Gretna Education Association agree upon receipt of payment to GPS by MCC of reimbursement for instructional services for the MCC college credit classes, that certificated teachers accepting assignments to teach MCC classes shall be compensated pursuant to the contract between GPS and MCC (subject to federal and state withholding, i.e., FICA, retirement, etc.).

3. EXTRA DUTY SCHEDULE

The extra duty schedule for the teachers of the district shall be in accordance with Exhibit "B" attached. If a position is dropped, so will the salary for that position. The Board has the right to discontinue or reduce any position.

4. INSURANCE

A. The insurance provided by the Board of Education shall be: Life Insurance in the amount of \$15,000.00. Allow the staff to increase their insurance to levels allowed by insurance carrier by use of payroll deduction from their monthly salary.

B. Health Insurance - as agreed by the negotiation committee for the Gretna Education Association and the Board of Education in the 1977-78 negotiations.

(1) Full family coverage will be provided for all teachers who are under employment by the district on a full time contract. There will be no cash payment or annuity type insurance payment made to a teacher.

(2) The Board of Education reserves final decision as to the insurance company it contracts with for health coverage. The Board of Education will offer health insurance substantially comparable to the current specifications (1980-81); however, if the carrier of the 1980-81 insurance decreases coverage or specifications, the Board of Education may adjust health specifications accordingly.

(3) Dental insurance comparable to the 2004-2005 agreement is included as part of the health insurance coverage.

(4) Starting in the 1995-96 school year, health insurance will be PPO Insurance Coverage.

(5) Starting in the 1999-00 school year, health insurance will be \$100 deductible PPO Insurance Coverage.

(6) Starting in the 2002-2003 school year, health insurance will be \$250 deductible PPO Insurance Coverage.

(7) Starting in the 2006-2007 school year, health insurance will be \$300 deductible PPO Insurance Coverage.

(8) Starting in the 2008-2009 school year, health insurance will be \$550 deductible PPO Insurance Coverage.

(9) Starting in the 2009-2010 school year, health insurance will be \$600 deductible PPO Insurance Coverage.

C. Income Protection - 66 2/3% of basic monthly earnings as described in the schedule of benefits on the individual's policy. Beginning with the 1982-83 contract, the benefits will be paid commencing with the 46th continuous day of disability due to accidental bodily injury or disability due to sickness, as will also be described in the individual's policy. When an employee meets the waiting period required by the insurance company, sick leave will stop and the insurance will take over. Any accumulated unused sick leave may be used at a later time if an employee qualifies for sick leave at that time. When an employee is on disability insurance on contract days, deductions will be at the per diem daily rate.

Beginning with the 1996-97 school year, the cost of the insurance will be added to the teacher salary and the payment of the premium will come from the teacher by way of payroll deduction.

5. SICK LEAVE

Sick leave with pay will be granted on the following basis: ten (10) days for each teacher who is employed for a period of nine (9) months; and one additional day for each month of employment beyond 9 months in that contract year. Sick leave days may be accumulated from year to year until a teacher has accumulated a maximum of 50 days. After three (3) consecutive days of absence for illness, the Principal of the building may request a Physician's certificate in order for it to be counted as sick leave. In addition to personal illness, sick leave may be granted to an individual covered by this contract for an illness of the individual's family that requires the attendance of the individual under contract.

Sick leave may be used as bereavement leave at one (1) day per occurrence. Additional days per occurrence may be granted by the Superintendent.

Sick leave of up to and including ten (10) days per year may be used for the adoption of a child.

6. PERSONAL LEAVE

Two (2) days non-accumulative personal leave, with prior approval of the Principal and Superintendent. Unused personal leave may be used to accumulate sick leave days up to the maximum sick leave allowed or the teacher may choose to receive a \$50.00 payment for each day of unused personal leave (2 per year non accumulative).

7. PROFESSIONAL LEAVE FOR ASSOCIATION DUTIES

Representatives of the Gretna Education Association are granted up to and including five (5) days per year of professional leave for the express purpose, as may be necessary, to conduct business of the association. Requests for professional days for Association duties by representatives of the Association for the express purpose, as may be necessary to conduct business for the Association must be requested in writing and endorsed by the Superintendent of Schools, or his/her designee prior to date of leave. Professional leave days in this section are non-accumulative.
